New York Tobacco Market.

U. S. Tobacco Journal.

Brokers transacted an enormous quantity of business-with their tongues-this week. Their qualifications for magnifying transactions are likely to become proverbial. Sifted down to reality, the transactions sum up more heavily this week than in any of the weeks during the past few months. The centre of attraction, both for buyers and sellers, is the '79 Pennsylvania. Timidity to buy in any large quantities characterizes the prospective buyers, and a haughty, self-relying air the would-be sellers. An almost impenetrable secrecy as to prices is preserved by all. Conjectures of all sorts are indulged in whenever a sale is announced. Some hold that the '79 Pennsylvania which has left the packers' hands, whatever the amount, was taken at no profit to them, for the reason that they fear a stampede of the army of packers after the tobacco has gone through the sweat. Others again declare the prices which have been paid to run up as high as 23c. for choice stock. A packing of 300 cases of '79 Housatonic (Conn.) is reported sold. The price is said to be 22c. Our packers in this country will do well in giving the quotations of prices for new to-bacco the benefit of the doubt. They will also do well by selling whenever they see a reasonable chance. In old tobaccos transactions continue brisk and prices are a trifle better. Export remains quiet and the growing crop is reported as doing splendidly in all sections of the country.

We sum up the week's sales as follows : Pennsylvania-Crop '79: 800 Sellers asked as high as 25 cents. Crop '78: 500 cases; fillers, 12 cents; running, 20 to 21 cents; wrappers, 40 to 45 cents.

Connecticut-Crop '79: 300 cases seconds and fillers, p. t. Crop '78; 125 cases wrappers, 28 to 40

Ohio-Crop '78: 255 cases running, fine, 104 cents. Havana-Market very active. Sales 1,200 bales. Prices firm.

Gans's Report. Sales of seed leaf tobacco reported by J. S. Gans's Son & Co., tobacco brokers, Nos. 84 and 86 Wall street, New York, for the week ending June 14:

500 cases '79 Pennsylvania, assorted lots, 13(a.21; 150 cases '78 Pennsylvania, 10(a) 28: 900 cases '79 Wisconsin, Havana seed 14@18; 800 '79 New England, seconds and fillers, p. t.; 158 cases '68 New England, wrappers, 13@25; 38 cases '78 Ohio, Total number of cases, 2,546.

From the Hub. There is perhaps no tonic offered to the peo-ple that possesses as much real intrinsic value as the Hop Bitters. Just at this season of the as the Hop Bitters. Just at this season of the year, when the stomach needs an appetizer, or the blood needs purifying, the cheapest and best remedy is Hop Bitters. An ounce of prevention is worth a pound of cure, don't wait until you are prostrated by a diseases that may take months for you to recover in.—Boston Globe.
